

Facilitator Intro / Building up Trust in You

This sheet will help you to strategically introduce yourself to your crowd of participants.

01 / Name		
02 / Role Be transparent in communicating what your role is and who you are. Keep it short and concrete.		
03 / Experience Elaborate on what you said with more background information. What were major steps in your career that would bring you to today's position?		
04 / Personal Motivation Anything that drives you personally at the moment, a fun fact about you or what you specifically about the theme of the workshop?		
05 / Context How do you create value in this concrete session? Is there anything you might be looking forward a lot? Also what's your call to action?
